

# Required Class Attire

Dance is a disciplined art form- from technique to attire. Wearing the proper attire to dance class provides the teacher an unobstructed view of your muscles, posture, etc. Some parts of the dress code are for your child's safety, others are for technique. By ensuring that your child is arriving to class properly dressed, you are showing respect for your teacher, classmates and the art/discipline of dance.

Proper practice wear is required for all classes.

Hair must **always** be pulled back!

**ABSOLUTELY NO JEANS, JEGGINGS, OR T SHIRTS WILL BE ALLOWED IN CLASS** (excluding hip hop).

Students will not be allowed to participate in class without proper practice wear.
